Guidelines relating to Faculty Evaluation files recently issued by Academic Dean John W. Cataldo are as follows:

- 1. All new materials entered into a faculty folder must be dated upon receipt by my secretary.
- 2. Faculty may respond in writing to any statements in the folder where there is disagreement. However, no materials may be removed from that folder, nor can the folder be removed from the office area.
- 3. The only persons with access to a faculty member's folder include:
 - 1. The faculty member
 - 2. The Division Chairperson
 - 3. Chairperson of the F.A.W. Committee
 - 4. The Academic Dean
 - 5. The President of the College

4. Normally, the folder will be given to the faculty member (upon verbal request) by the Dean's secretary. The folder should be examined in the immediate area of the Dean's office and returned to the files by the secretary.
